## Douro Vindima

---

"Smooth blend of the  
Port grapes."

---

The grapes were  
harvested after our  
Quintas wines and  
come from terraced  
vineyards high up on  
the steel hillsides  
grown at cooler  
temperatures due to  
their altitude.

**Grape Varietal:**  
Touriga Nacional,  
Touriga Franca and  
Tinta Roriz.

**Taste:**  
Rounded berry fruits  
and attractive  
acidity. Full bodied  
structure and smooth  
tannins.

**Nose:**  
Ripe red fruit and  
black fruit aroma  
with a hint of mint  
and wood.

**Alcohol:**  
13% by vol.

**Soil:**  
Schistose.
