LOUPART's collection of premium Loire Sauvignon Blanc is a partnership between Joost and Charles LOUPART, long time friend and Loire Sauvignon Blanc fanatic! LOUPART is an old French word for « Loup » or « Wolf » in English. We reflect the strong character of the animal thru a range of racy and pure Loire Sauvignon Blanc.

The LOUPART collection displays a range of rich, ripe and vibrant Sauvignon Blanc.

WINEMAKING

LOUPART is a wine exhibiting the aromas and flavors of youth has you'd expect from a new born wine from Joost de Villebois.

Joost de Villebois is a large Touraine and Sancerre vineyard owner producing some of the finest and most rewarded Sauvignon Blanc coming from the LOIRE Valley.

Joost's goal is to make outstanding LOIRE Sauvignon Blanc. To achieve this goal, he uses the latest vineyard and winemaking techniques with France's storied vineyards.

Joost is assisted by Loire born winemakers Thierry Merlet and Patrice Merceron in his winemaking team.

TASTING NOTES

Youthful and lively, LOUPART's aromas include grapefruit, kiwi and ripe peach.

On the palate, the wine exhibits great balance, freshness and luscious exotic fruit flavors, granny smith apple and mango.

Flavors linger, begging you to drink more!
