

Domaine Saint Andéol

Côtes du Rhône

"Made in the southern Rhône with Grenache and Syrah, it is rather big but always balanced"

Winery:

To create this wine, Jean-Jacques Beaumet has added higher-quality grapes from the Côtes du Rhône Village "Visan" to increase the depth, complexity, and overall quality of this wine.

Soil:

Clay and limestone.

Grape Varietal:

70% Grenache,
30% Syrah

Location:

From the Southern part of
Côtes du Rhône.

Taste:

Candied fruit,
raspberry, cinnamon
spice, along with
flavors of blueberry,
plum and black olives.

Alcohol:

13.5% by vol.
